Requirement for "Sahyog Portal"

S. No.	Description	location	Justification
1.	Solar Panels	Boys hostel	The college has a boys hostel that can accommodate more than 100 students. Hostel facility is available for the students coming from distant areas. Solar panels required for all the rooms of the hostel as much electricity is consumed by the students in rooms and around the hostel campus.
2.	Waste management	College Campus	A large number of students are studying in the college and area of the college is 14.50 hectares. So waste management unit is required in the college.
3.	Girls Common Room (GCR)	Near Building of college	More than 60 % of the students in the college are girls. But still no girl common room is there for them. So a GCR is required. <i>for P.G. girls.</i>
4.	Science P.G. Block with laboratories	Near Science U. G. Block	In the faculty of Science B. Sc. And M. Sc. Courses are running. Separate P.G. lecture halls and laboratories required for the M. Sc. Classes.
